

USA?... No, North Korea!

Eric Lafforgue

People wearing Nike caps and Mickey Mouse Tshirts, driving Hummers, drinking Coca, using Windows on their computers,... you're not in the USA, but in... North Korea!
North Koreans love typical US symbolism (although most of them are fake brands made in china) but at the same time, they also hate the american imperialists...

The man holding the Mickey Mouse frame is the chief of KoreaJung Pyong Ri village. He showed me his son's picture, saying: "He has been in the North Korean Army for 3 years now, he plans to stay in until the reunification ».
